

Omar Ahmed Sanad

Electrical BIM Engineer

Cairo, Egypt || +201093309835|| omarsanad162712@gmail.com || [LinkedIn](#) || [YouTube](#)

Summary

Highly motivated and results-oriented BIM electrical engineer with a strong foundation in electrical power principles and a demonstrated ability to apply theoretical knowledge to practical applications. Possesses a working knowledge of KNX systems, electrical distribution design and shop drawing, PV systems, and basic automation concepts. Proven ability to work effectively in a team environment and take initiative on projects. I am a specialize as a Electrical BIM Engineer, focusing on integrating advanced technologies into engineering design and construction processes.

Education

- **Master of Science (M. Sc.) in Electrical Power Systems** **Oct. 2025 – Present**
Performance Enhancement of Renewable Energy Systems Using FACTS with Advanced Control Units
 - **Advanced Diploma in Electrical Power Systems** **Sep. 2024 — Jun. 2025**
 - *Grade : A+*
 - **B.Sc. Electrical Power Engineering** **Sep. 2019 — Jun. 2024**
 - *Cumulative grade: Excellent (Overall: 94.44%, Rank : 1st)*
 - *Graduation project: Electrical distribution design for a smart integrated Compound*
 - *Graduation Project Grade: Excellent*
-

Work Experience

- **Faculty of Engineering at Shoubra -Benha University || Teaching Assistant.** **Sep. 2024 – Present**
 - **BEC Arabia || BIM Technical Office Engineer.** **Jul. 2024 –Present**
-

Projects

- **SINDALAH Island || KINGDOM OF SAUDI ARABIA.**
Client: NEOM.
Scope consists of: Ultra luxury Resort.
- **Banan AlRiyadh || KINGDOM OF SAUDI ARABIA.**
Client: TMG
Scope consists of: Residential
- **Tharbah medical center for Royal Commission of Al-Ula.**
Client: AL-ULA
Duties :
 - Studying Tender drawings, Bills of quantities, and Projects specifications.
 - Creation of BIM models and clash detection reports.
 - Coordinating MEP trades and studying all missing, unclear, conflicting, or other technical matters that may arise during construction in design drawing with the consultant by sending RFI or a technical meeting.
 - Submitting As built and Shop drawings.

• **AMAALA Staff Village || KINGDOM OF SAUDI ARABIA.**

Client: AMAALA Project Permitting Support and Coordination (APPSCO).

Scope consists of: Residential building consisting of (G+3).

Duties:

- Check IFC Drawing and Designs for any missing Data.
- Create Revit template, Create Revit family and different electrical systems.
- Modelling Electrical systems using Revit.
- Developing the models from LOD 300 to LOD 400 to preparing and submit shop drawings.
- Coordinate electrical systems with each other and with other systems.
- Receiving markup drawing from construction team to prepare as built Drawing LOD 500.
- Checking the health of the model acc. to AMAALA requirements.

Internships

- | | |
|---|-----------------------|
| • ABB” Aspire Program” Electrification Summer Internship. | Aug. 2023– Sep. 2023 |
| • The Egyptian Company for Metro (ECM). | Jul. 2022 – Jul .2022 |
| • MAM for Engineering Industries & Electrical Supplies. | Jul. 2022– Jul. 2022 |
| • Green Energy Academy | Jun. 2022 – Jun. 2022 |
| • The Arab Contractors. | Sep. 2021 – Sep. 2021 |
-

Technical Courses

- | | |
|---|------------------------|
| • AUC – EVEN1001 : “Leadership in Energy and Environmental Design – (LEED) certification” | Jun. 2026 – Feb. 2026 |
| • BIM Management diploma Kayan Academy. | Jul 2024 – Aug. 2025 |
| • Revit Electrical Course Online. | Jun. 2024 – Jul. 2024 |
| • KNX HVAC Specialist Course Porto smart. | Apr.2024 – Apr. 2024 |
| • Certified KNX Basic Course Porto smart. | Apr.2023 – Apr. 2023 |
| • Electrical Distribution Diploma Eng. Mohamed Emam (Online). | Jun. 2023 – Oct. 2023. |
| • Basic Automation Course HA Consulting Group. | Aug. 2022 – Oct. 2022 |
-

Software Skills

- | | | | | |
|---------------|------------|----------|----------------|----------------|
| • AUTODESK : | Revit | AutoCAD. | NAVISWORK. | ACC |
| • MS OFFICE : | MS WORD | MS EXEL | MS POWER POINT | |
| • Others: | DIALux evo | Ecodial | ETAP | MATLAB REVIZTO |

Personal Skills

- | | | |
|--------------------|-------------------------|---------------------|
| • Self-learning. | • Communication skills. | • Listening skills. |
| • Time management. | • Leadership. | • Teamwork. |
| • Public speaking. | • Presentation. | |
-

Extra-Curricular Activities & Volunteering

- | | |
|--|---------------------|
| • EIT Academic Head. | Mar 2021 – Jun 2024 |
| • Revit Online Course with Eng. Mohamed Emam Technical Supporter. | Aug 2024 – Nov 2024 |
-

Languages Skills

- | | |
|-------------------|---|
| • Arabic: Native. | • English: V.Good (Professional writing and speaking) |
|-------------------|---|
-

Personal Information

- | | |
|--------------------------------|--------------------------|
| • Military service: Exemption. | • Birthday: 16 Feb 2001. |
|--------------------------------|--------------------------|
